

Meet our Professional Staff

LORI CHRISTIANSON, PTA

I am a 1990 graduate of Northeast Wisconsin Technical College-Green Bay with an Associates degree in Physical Therapy. Since graduation, I have worked in the many areas of Physical Therapy including ortho, neuro, w/c positioning, dementia care, outpatient, acute and post acute care.

My favorite patients are the geriatric population with the many stories they have to share.

When I'm not at work, I enjoy crafting, stamping, sewing, watching TV and gardening. My husband and I also spend a lot of time with our 2 dogs, Lola and Augie, which keeps us busy with several rescue groups in Appleton.
