### RUTH BOHN, COTA

I am an accomplished specialist in occupation therapy, serving patients of all ages for more than twenty years.

I am a 1978 graduate of Northeast Wisconsin Technical College earning an Associate Degree in Occupational Therapy. I have also been certified by the National Board in Occupational Therapy.

In my twenty years as a COTA, I have worked in a variety of settings with clients of all ages and needs. In my current position, I specialize in pelvic muscle rehabilitation for urinary incontinence and myofascial release skills and techniques for pain relief. My daily focus is to help each client achieve their individual goals.

In my free time I enjoy boating, painting, drawing and reading.
